

FOOTBALL SURVIVOR POOL RULES - AGAINST THE SPREAD

- 1 Entry fee \$20 per player per entry payable with or before submitting the first week's picks.
NO MONEY, NO ENTRY - ONLY PAID UP ENTRIES WILL BE PUT INTO THE SURVIVOR POOL.
 - 2 Picking games Pick one team only, each week, to **win or push against the spread.**
If your team wins or pushes against the spread you continue to the next week.
 - 3 No repeat teams You can pick a team **ONLY ONCE** during the regular season.
 - 4 Playoff portion If a pool goes into the playoffs then a team can be selected more than once.
Teams picked in the regular season can be used again in the playoffs
In the playoff portion a PUSH would be a LOSS
 - 5 Spreads Spreads are from VegasInsider.com (VI consensus line) on Thursday mornings each week.
Once the spreads are posted on my webpage then they will not change for that week.
Early lines could appear on the Spreads Page prior to the Thursday spreads being posted.
Games where the posted line is P ("pick") are also eligible.
"No-line" or "off" games are **NOT** eligible for the survivor pool.
 - 6 End of pool The pool ends when there is just one entry left - winner take all.
If the pool ends with more than 1 entry left, then the pot would be split equally.
 - 7 Prize Total pot depends on total number of entries.
 - 8 Split pots
 1. No more than 3 remaining entries
 2. Maximum split amount is approx 60% of the total pot leaving 40% for the eventual winner(s)
 3. Split would be rounded by me to make even dollar amounts.
 4. All remaining players must agree to the split.
 5. All splits must be approved by me.

I only keep emails and written picks for just over 1 week and then they may be discarded, so any inputting errors cannot be corrected after that time.
 - 11 Webpage <http://www.footballnazi.com/>
Pool standings, weekly picks & other info will be available each week, usually on Tuesdays
My weekly picks will also be posted on the webpage.
 - 12 Weekly update. In addition to the webpage I will usually send out a weekly email with standing & winner info.
 - 13 Pool names You may use a pool name other than your real name.
Your pool name & real name must be included with your picks each week.
